TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

RE: Mentoring Services Agreement
Boys and Girls Club of Pasco County
PO #70009772

The attached mentoring services agreement with Boys and Girls Club of Pasco County is for: homework help and tutoring with mentoring, high yield learning activities, parent and community involvement, collaboration with schools, goal setting and recognition. Goals of this program are: to increase academic performance, to provide mentoring opportunities for students and to increase parental communication with their students, the schools and the club, thus creating an “education safety net” during the 2006-2007 school year.

At this time, we respectfully request your approval to enter into the attached agreement with the above-referenced facility for mentoring services. The services covered under this agreement are considered educational services and are, therefore, exempt from the competitive bidding requirements as outlined in DOE’s Section 6A-1.012 (7). Also the services covered under this agreement are an academic program and are, therefore, exempt from the competitive bidding requirements as outlined in State Statute 287.057 (5) (f). The agreement has been reviewed and approved by The School District’s Attorney, Nancy McClain Alfonso.

Should you have any questions regarding this matter, please contact Lizette Alexander. If you have any purchasing related questions regarding this agreement, please contact me.
