MEMORANDUM

RE: Bid #07-113-DR: USDA Commodity Egg Processing - Food & Nutrition Services
Additional Egg Products

On May 1, 2007, official action was taken to award the above mentioned three-year renewable bid to Michael Foods Inc.

Under the terms and conditions of the bid, as new products become available they may be added to the bid. Michael Butkus, Director of School Foodservice, Michael Foods, Inc., has submitted pricing for two (2) new products. These two products are: (1) Item #85881: Strawberry Banana Glazed French Toast Sticks at \$20.80 per case, 85/2.9 oz servings; (2) Item #70022: Round Egg Patty, at \$20.03 per case, 360/1 oz. serving. (Pricing information attached)

The Strawberry Banana Glazed French Toast Sticks are available for a lower cost than the current bid price for our Cinnamon Glazed French Toast Sticks (#85806). Pricing on these new products are below retail prices and found to be competitive. Adding these two items will allow us a greater opportunity to utilize the USDA Commodity Eggs sent to Michael Foods for processing.

Rick Kurtz, Director, Food & Nutrition Services is recommending to add these products to our USDA Commodity Egg Processing bid. Estimated annual purchases are not anticipated to change the total original bid of \$70,000.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
