MEMORANDUM

TO: Honorable Board Members
FROM: Kendra Goodman, CPPB, Purchasing Agent
SUBJECT: Approval of Purchase Order #70015659
District Licensing for Macintosh OSX Software

Please find attached purchase order #70015659 to Apple Computer in the amount of \$63,278.39 for a licensing software agreement to the District. The agreement is a three-year program that allows perpetual usage rights and the latest commercially available version of the Mac OSX for all Apple computers owned by the District. Please see the attached memo from Mr. Ed Mutell, Supervisor of Information Support Services, for further information.

As Apple is the copyright holder for this software, the bidding process is waived per State Board of Education Rule 6A-1.012(7). The Information Services Department has worked with Apple to obtain the \$19.67 cost per machine, a volume pricing structure which is significantly below the cost of purchasing the software at individual pricing.

At this time we are requesting approval of the attached purchase order, and signature on the attached Addendum to the license agreement. Please contact Ed Mutell or me if you wish to discuss this matter further.
