Recommendation:

Recommend acceptance of bid from Jacy Controls, Inc., as noted on attached bid tabulation sheet, as lowest and best, responsive and responsible “all-or-none” bid meeting written specifications.

Term of Contract:

This bid is for a firm-fixed price for nine thousand four hundred and fourteen (9,414) combination/key control padlocks with a minimum of five master keys per location for immediate delivery to individual secondary schools and for “as needed” quantities, that may be required by the District during the term of this bid. This is a one-year bid. The term shall be effective from June 20, 2007 to June 19, 2008.

Notations and Exceptions:

Grand total of bid may vary with more or less use of the “unit price” for additional keys and for the purchase of “as needed” combination locks.

Southern Lock & Supply Company and Jacy Controls, Inc. indicated the cost for master keys (five per location) would be of an additional cost. Therefore Southern Lock & Supply Company’s bid price for locks would be the cost of the lock (\$3.25) plus an additional cost of master keys (5 x \$1.75 = \$8.75) for each of the sixteen locations and Jacy’s would be the cost of the lock (\$3.175) plus an additional cost of master keys (5 x \$1.65 = \$8.25) for each of the sixteen locations.

Offers from the vendors listed herein are the only offers received timely as of the above opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
