RE: The Agency for Health Care Administration

Monica Vera, Director of Exceptional Education and Kelli Boles, Grant Resource Specialist, are requesting approval of the attached contract with The Agency for Health Care Administration for the provision and reimbursement of administrative claiming funds. This agreement allows the District to claim reimbursement for administrative outreach activities and students. This program generates approximately \$800,000 each year for the District.

The services covered under this contract are considered professional services and therefore are exempt from the competitive pricing requirements as outlined in DOE's Section 6A-1.012(7).
