## MEMORANDUM

DATE: August 25, 2006  
TO: The Honorable School Board Members  
FROM: Kendra Goodman, CPPB, Purchasing Agent  
RE: Bid #04-097-PC Commodity Food Processing  
Additional Products - Group M  
Jennie-O-Turkey

On April 4, 2004, official action was taken to award the above mentioned three-year renewable bid to various vendors. Under the terms and conditions of the bid, vendors may request that new products be approved by the Food & Nutrition Services Department.

Mark Nellermoe, Vice President Food Service, Jennie-O Turkey Store, has submitted one new product for approval and addition to the bid.

Under the terms and conditions of the bid, The Group M: New Processed Turkey Products using A534 Turkey, Bulk, vendors awarded any item in Phase I or II will also be allowed to add additional commodity processed items to the bid as they become available. The raw turkey roast #2180-02 awarded with the original bid for \$1.78 per pound is no longer available and has been replaced by Jeannie-O with a cooked roast #3170-04 for \$1.30 per pound. This product change will result in a savings of approximately \$1,600 per year. Julie Hedine, Supervisor, Food & Nutrition Services, recommends adding this product to our Commodity Food Processing bid.

Pricing was compared to Sara Lee turkey breast and thigh roast currently stocked at US Foods for \$3.71 per pound. The Jeannie-O product would be available for \$2.02 per pound with commercial bid or \$1.30 per pound with commodity processing.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
