**Recommendation: Recommend rejection of bid.**

**Notations and Exceptions: Recommend rejection of sole bid submitted due to motor oil not meeting required specifications. We received a no bid from another vendor indicating using the Consumer Price Index for manufacturer price increases would not adequately cover price increases received during the year due to the volatility of the petroleum market. The Transportation Department has requested the ability to negotiate with interested parties. The negotiated contract will be provided to the Board for approval once it has been agreed upon by the parties.**

**Offers from the vendors listed here in are the only offers received timely as of the above opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.**
