The School District has numerous cooperative agreements with various health care facilities in order to allow students to complete clinical assignments in the Health Occupations program. The attached agreements have been developed to allow students enrolled in the Allied Health Assisting program to use the various health care facilities for clinical rotations. The attached agreements are being forwarded for your perusal.

At this time, we respectfully request your approval of the agreements between the District and the above referenced facilities for the Allied Health Assisting program.

Thanks for your consideration in this matter.
