RE: Requesting Approval of Additional Expenditures
Bid #08-055-GF
Subterranean Termite Treatment
Cook's Termite and Pest Control

On October 2, 2007 official action was taken to approve the first year of the contract for the above-referenced bid to Cook's Termite and Pest Control. The first year of the contract is effective November 17, 2007 through November 18, 2008.

At the time of award, we anticipated expenditures of approximately \$25,000. Recently, we have been advised by Eddie Flicker, Custodial Coordinator of additional requirements for subterranean termite treatment at various locations throughout the District. As a result, we are requesting an additional \$30,000 expenditure for these services through June 30, 2008.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
