RE: Third Year Renewal of Three-Year Contract
Bid #06-129-LR, Asphalt Overlay for Courts and Tracks
Alto Construction

On March 21, 2006, official action (attached) was taken to award the above-referenced bid to Alto Construction. This bid is a three-year contract, renewable annually based upon mutual consent of both parties. The first year of the agreement expired on March 16, 2007. Subsequently, the second year of the agreement was awarded on March 6, 2007, and covers the period of March 17, 2007 through March 16, 2008.

Considering services have been satisfactory, Richard Bolesta, President, Alto Construction was contacted to verify his willingness to enter into the third year of the agreement. As such, Rich Bolesta has agreed, in writing (attached), to enter into the third year of the contract.

The terms and conditions of the bid allow for price adjustment at the annual renewal based upon the change in the Producer Price Index (PPI) published by the Bureau of Statistics, U.S. Department of Labor, using Series ID: #WPU139401, Group: Nonmetallic mineral products, Item: Paving mixtures and blocks. A price adjustment of 1.036 has been requested by Alto Construction and is in accordance with the PPI published allowance.

Therefore, at this time, it is my recommendation to enter into the third year of the agreement with Alto Construction with the appropriate price adjustments. The third year of the contract will cover the period of March 17, 2008 through March 16, 2009. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
