## MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

RE: Dollar Approval for Scholastic

The Department of Instruction Media & Technology Services is anticipating expenditures in the amount of \$750,000 for Scholastic during the 2008-2009 school year on an as-needed basis. Purchases from Scholastic are exempt from the competitive pricing requirements as outlined in DOE's Section 6A-1.012(7) because they are the copyright holder and publisher of the material being purchased. These expenditures are necessary to purchase library materials, class sets of reading materials, and classroom libraries.

At this time it is my recommendation to allow purchase orders to be processed to Scholastic not to exceed \$750,000 for the period of June 4, 2008 through June 4, 2009. The Purchasing Department will monitor orders to make sure purchases do not exceed the requested amount.

Should you have any questions regarding this matter, or if I can be of further assistance, please contact me at your earliest convenience.
