Recommendation:

Recommend rejection of only responsive, responsible bid received from Southern Business Communications, as their bid prices exceed the budget.

Term of Contract:

This bid is for audio visual classroom retrofit installation of District supplied equipment “as needed” by Instructional Media and Technology for use throughout the District. This is a three-year bid renewable annually based upon mutual agreement of both parties.

Notations and Exceptions:

Recommend rejection of lower bid from Southern Sound Equipment as bid was considered non-responsive for failure to meet the following: returning a complete bid, copy of contractor’s license, letter from surety company for bonding capability, etc. The bid from Southern Business Communications was considered too high and over budget and not to be in the best interest of the District.

Offers from the vendors listed herein are the only offers received timely as of the above opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
