MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

RE: Gametime, Inc.
US Communities RFP #269-2003-077, Contract #04376
Purchase Order # 80015329, 80015330, 80015331, 80015332, and 80015333

The attached purchase orders with Gametime, Inc. are being forwarded for your consideration and subsequent approval. These requests are for the purchase of GT Impax Engineered Wood Fiber (see attached) for Centennial Elementary School, Gulfside Elementary School, Mitty P. Locke Elementary School, and West Zephyrhills Elementary School. GT Impax Engineered Wood Fiber meets the ASTM F 1951-99 "Surface Accessibility" requirements and is used as a safety surface on playgrounds to reduce the possibility of injuries.

It is my recommendation that the Board approve the attached purchase orders for Gametime, Inc. for \$36,599.04, funding source: Special Revenue. Due to the dollar amount being processed at one time, the order is being presented for your approval.

Under the Department of Education rule 6A-1.102(5), the Board may make purchases at the unit prices in contracts awarded by other governmental agencies. Considering a competitive process was conducted through the US Communities Contract that resulted in an award for this item and the successful vendor Gametime, Inc. is willing to extend this bid, it is my recommendation to "piggy-back" the US Communities RFP #269-2003-077, Contract #04376.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
