## MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent

RE: Ceres Environmental Services, Inc.  
Requesting Permission to Piggy-back School Board of Volusia County  
Bid #2S-510-KP Debris Cleaning & Removal

Under the Department of Education Rule 6A-1.012(5), the Board may make purchases at the unit prices in contracts awarded by other governmental agencies. Considering a competitive process was conducted through the School Board of Volusia County that resulted in an award for debris cleaning & removal and the successful vendor, Ceres Environmental Services, Inc. is willing to extend this bid, it is my recommendation to "piggy-back" the School Board of Volusia County bid #2S-510-KP at the unit prices. Total cost would vary depending on actual use. However, this service would be used during emergency situations with possible reimbursement by FEMA, should the need arise.

At this time, we are requesting permission to use the School Board of Volusia County's bid for emergency situations, when debris cleaning & removal would be needed. The contract will cover the period of August 16, 2007 through April 30, 2008. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
