The School District has numerous cooperative agreements with various facilities in order to allow students to complete an internship assignment in the Early Childhood Education Program. The attached agreements have been developed to allow students enrolled in the Early Childhood Education Program to use the facilities for internship.

At this time, we respectfully request your approval to enter into the second year of the three year agreements with the above-referenced facilities for the Early Childhood Education Program. The second year of the agreements will cover the period of January 1, 2008 through December 31, 2008. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
