RE: Cooperative Agreement – CTE Department

First Year of a Three-Year Agreement

The School District has numerous cooperative agreements with various health care facilities in order to allow students to complete clinical assignments in the Health Occupations program. The attached agreement has been developed to allow students enrolled in the Allied Health Assisting program to use the health care facility for clinical rotations. The attached agreement is being forwarded for your perusal.

At this time, we respectfully request your approval of the agreement between the District and the above-referenced facility for the Health Occupation Program. The first year of the agreements will cover the period of March 3, 2009 through December 31, 2009. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
