**Recommendation:**

Recommend acceptance of bids as noted on the attached tabulation sheet as lowest and best, responsive and responsible bids for each group meeting written specifications.

**Term of Contract:**

This bid is for surge suppressors and arrestors “as needed” by the Maintenance Department for use throughout the District. This is a three-year bid renewable annually based upon mutual agreement of both parties. The bid prices are firm and fixed for the first year of the contract and may be adjusted annually based on changes in the Producer Price Index of #PCU3344193344197. The first year of this contract shall be effective through February 18, 2010.

**Notations and Exceptions:**

Power & Controls Automation’s bid prices did not include freight. Mayer Electric had an addition error in Part D and this bid was awarded by the total all or none price for each group. This addition error did not change the apparent low bidder.

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.

Savings were determined by averaging all bids submitted and subtracting the recommended vendor’s price.

**Bids Evaluated By:**

Mike Voorhees, Crew Chief, Maintenance Department

**Bids Prepared By:**

Laurie Roberts, CPPB, Buyer, Purchasing Department

**Reviewed and Authorized By:**

Kendra Goodman, CPPB, Purchasing Agent
