Recommendation:

Recommend acceptance of bids as noted on attached bid tabulation as lowest and best bids meeting written specifications and passing testing criteria.

Term of Contract:

This is an annual purchase for art supplies to be stocked in the central warehouse for use throughout the District.

Notations and Exceptions:

AS-05: Recommend rejection of all bids submitted: Sax Arts & Crafts and Elgin School Supply for not sending a sample as required in the bid document. Recommend rejection of Sax Arts & Crafts for failure to pass committee testing because colors were not all true. Request permission to obtain quotes on the open market.

AS-12: Recommend acceptance of bid from Pyramid School Products as lowest and best, responsive and responsible bid meeting written specifications and testing criteria. Recommend rejection of Sax Arts & Crafts, quantity of glue in glue stick was poor (almost used up on single use), glue does not stick.

AS-13: Recommend acceptance of bid from Art & Educational Materials Company as lowest and best, responsive and responsible bid meeting written specifications and testing criteria. Recommend rejection of lower bids as vendors did not submit samples as required in the bid document for testing. Vendors bidding Mr. Sketch were unacceptable as product did not have a bullet tip as required in the bid document. Elgin School Supply Company Incorporated submitted wrong product.

AS-14: Recommend acceptance of bid from Pyramid School Products as lowest and best, responsive and responsible bid meeting written specifications and testing criteria. Recommend rejection of lower bids as they failed to pass committee testing for one or more of the following reasons: colors had poor coverage and durability, too thin construction, running out of ink after three people tested product.

AS-23: Recommend rejection of all bids submitted for failure to pass committee testing for one or more of the following reasons: quality is poor, colors are not pure, quantity of paint in container is poor, and none of the samples provided a #7 brush as required in the bid document. Request permission to obtain quotes on the open market.

Notations and Exceptions Continued:

AS-25, 28, & 30: Recommend acceptance of bid from Pyramid School Products as lowest and best, responsive and responsible bid meeting written specifications and testing criteria. Recommend rejection of lower bids as products did not meet one or more of the following: for not submitting samples as required in the bid document. Recommend rejection of Sax Arts & Crafts for failure to pass committee testing because colors were not all true.

AS-52: Recommend rejection of the two bids submitted: Art Education for not submitting samples as required in the bid document. Sax Arts & Crafts for failure to pass committee testing for the following reasons: quality of detail brush is poor as far as shape; does not make a clean line, and does not have an accurate point, choppy. Request permission to obtain quotes on the open market.

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
