Recommendation: Recommend acceptance of bid as noted on attached bid tabulation sheet as lowest and best responsive, responsible bid meeting written specifications from Sun State International.

Term of Contract: This bid is for the purchase of a diesel-powered wet box-type delivery truck for the Transportation Department.

Notations and Exceptions: Recommend rejection of low alternate bid from Bill Currie Ford for failure to meet minimum specifications, and this vehicle/manufacture model was purchased last year and had suspension issues that took eight months to resolve. Therefore, based on past history, we are rejecting the alternate vehicle.

Savings were determined by averaging all non-awarded vendor prices and subtracting from recommended vendor's pricing.

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
