**Recommendation:** Recommend acceptance of bids per the attached bid tabulation as lowest and best bids meeting written specifications.

**Term of Contract:** This bid is for firm-fixed prices for various high school course areas. The term of the bid is for one (1) year after Board award. Test items are tied to the Next Generation Florida Sunshine State Standards and other detailed criteria as outlined in the bid document. Award was based "group by group." Due to District budgetary constraints, the Department of Research & Evaluation has requested that seven (7) groups be awarded, instead of the twenty (20) outlined in the bid. During the term of the bid, the District may choose to purchase additional test items for these groups, at the unit prices as bid.

**Notations and Exceptions:** Per the terms of the bid document, the ties for Groups A1 and A2 between Riverside Publishing and Scantron were decided based upon a witnessed "toss of the coin." All other recommended groups are being awarded to the low bidder, Riverside Publishing.

The cost savings noted above are based upon the total difference between the high and low bids for each group being purchased.

Offers from the vendors listed herein are the only offers received on a timely basis as of the specified date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
