Recommendation:

Recommend acceptance of bids as noted on the attached bid tabulation sheet, as lowest and best, responsive and responsible individual item bid meeting written specifications.

Term of Contract:

This bid is for plumbing supplies "as needed" by the Maintenance Department for use throughout the District. This is a three-year bid renewable annually based upon mutual agreement of both parties. The first year of this contract shall be effective from October 22, 2008 to October 7, 2009. The bid prices are firm and fixed for the first year of the contract and may be adjusted annually based on changes in the Producer Price Indexes of # WPUS1019011, #PCU332913332913 and #PCU4841—4841--.

Notations and Exceptions:

Recommend rejection of Best Plumbing's bid for item #NPK61 for failure to bid OEM as specified. Recommend rejection of Ferguson's bid for items #SPT28 and SPT28A for failure to bid OEM as specified. Bridgeton Plumbing had an error on items #NPQ10A and #NPQ10B and could not hold their unit price. Therefore they have withdrawn from these two items. Recommend rejection of all bids for item #SPT68 as the District did not specify an OEM product. Recommend rejection of item #SPW11A because no bids were received for this item. Request permission to purchase these items after obtaining quotes.

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.

Savings were determined by averaging all bids submitted and subtracting the recommended vendor's price.
