The School District has individual and group counseling service agreements with various facilities in order to provide counseling services for students and families.

The services covered under these contracts are considered professional services and therefore are exempt from the competitive pricing requirements as outlined in DOE's Section 6A-1.012. These agreements will cover the period of July 8, 2008 through June 30, 2009.

At this time, we respectfully request that The Board to approve the above-referenced agreements for providing counseling services for students and families.
