Bid Recommendation

Bid Title	ITV Equipment & Supplies-"As-Needed"		Number of Vendors Notified	321
Bid Number	10-073-SN		Number of Bids Distributed	75
Date Solicited	November 13, 2009		Number of Vendors Bidding	20
Date Opened	December 16, 2009		Number of Vendors Not Bidding	1
Date Board Presentation	January 19, 2010		Funding Source	Capital, General, or Internal
Total Savings	Estimated \$60,000		Grand Total of Bid	Estimated \$400,000

Recommendation: Recommend acceptance of bids as noted on the attached tabulation sheets for ITV Equipment and Supplies. Section One (1) awards are based on the lowest and best, responsive, responsible bid per item meeting written specifications. Section Two (2) awards are based on the highest average discount offered from the manufacturers' website by group. Section Three (3) awards are based on the lowest and best bid price for quantities (11-50) or average of multiple line items within the same numbering for quantities (11-50) for responsive, responsible bidders meeting written specifications. Section Four (4) will be awarded separately based on the lowest price by PART.

Term of Contract: This is a one-year contract for a firm-fixed price on an "as-needed" basis for various ITV Equipment and Supplies. The first year of this contract shall be effective from January 20, 2010 through January 19, 2011.

Notations and Exceptions:

Recommend rejection of bid from AVI-SPL as the bid document was not signed.

Total savings are estimates only and include Section One (1), Section Two (2) Section Three (3) discounts and Section Four (4).

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.

IT-13-CD/Cassette Tape Player/Recorder- Recommend acceptance of bid from Smiley's Audio Visual as lowest and best responsive, responsible bid meeting written specifications. Recommend rejection of alternate bid from Valiant IMC as the Coby CX-250 does not include the tone control and bass boost feature.

IT-19 DLP Multimedia Projector- Recommend acceptance of bid from RM Educational Software for the Sharp PG-F212 as lowest and best responsive, responsible bid meeting written specifications. Recommend rejection of alternate bids from Smiley's Audio Visual for the Vivitek D835 and RM Educational for the Viewsonic RJD6211 as the picture quality on these models are not as stable as the Sharp PG-212 and the image is not sharp when viewing smaller print. Recommend rejection of alternate bid from CDW-G for NEC NP310 as this model projector uses LCD technology rather than DLP technology which was specified.

IT-21 Overhead Projector Carts- Recommend acceptance of bid from Smiley's Audio Visual as lowest and best responsive, responsible bid meeting written specifications. Recommend rejection of alternate bids from Valiant IMC and B & H Photo Video as the Buhl 03139E cart has an open "well" for the projector located in the center of the top shelf, creating two small work surfaces on either side of the projector. This makes the alternate bid item not equal to the Bretford model.

CR-05 Non Metallic Latching Raceway & Ceiling Cap- Recommend rejection of sole bid from BES Industries as the prices bid for these items are significantly higher than we have paid in the past. Request permission to purchase these items on an as-needed basis utilizing quotes.

CR-11 Video Cable- "F" to "F"- 3'- Recommend acceptance of bid from Jersey Jim Towers as lowest and best responsive, responsible bid meeting written specifications. Recommend rejection of alternate bid from Xerox Audio Visual for the Calrad 55-882 as this cable has a push on connector which does not meet specifications.

CR-12 Video Cable "F" to "F"-6'- Recommend acceptance of bid from Jersey Jim Towers as lowest and best responsive, responsible bid meeting written specifications. Recommend rejection of alternate bid from Xerox Audio Visual as this cable has a push-on connector which does not meet specifications.

DC-01 AverMedia CP 130 Document Camera- Recommend acceptance of bid from BES Industries as lowest and best responsive, responsible bid meeting written specifications. Recommend rejection of alternate bid from Smiley's Audio Visual as the Brillian Technology i3080 does not rotate 180 degrees and only has a 12 image internal memory rather than the 40 image memory which was specified.

DC-02 Elmo TT02RX Document Camera- Recommend acceptance of bid from Smiley's Audio Visual as lowest and best responsive, responsible bid meeting written specifications. Recommend rejection of alternate bid from BES Industries as the Qomo Qview QD3300 only has a frame rate of 15 FPS rather than the 30 FPS specified and the platform on the Qomo is a fixed position rather than a removable platform which was specified.

Bid #10-073-SN
