MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent 

SUBJECT: RFP 08-011-SN, Geotechnical & Materials Testing Services
One Year Extension of a Three-Year Agreement
HSA Engineers & Scientists, Professional Service Industries Inc., Driggers
Engineering Services Inc.

On May 5, 2009, official action (attached) was taken to award the third year of the above-referenced RFP to the vendors noted above. This RFP is a three-year contract, renewable annually by mutual consent of the parties. Services of the firms are used on a rotational, as-needed basis by the Construction Services Department. The third year of the contract is due to expire on May 20, 2010.

The terms of the RFP allow for a one-year term extension. Mr. John Petrashek, Director of Construction Services & Code Compliance, is requesting this one-year extension (see attached memo). His department has been satisfied with the services of these vendors, and they are currently performing work for the District which requires continuity of service.

The vendors have been contacted to verify their willingness to extend the terms and condition for an additional year, and all have agreed in writing (attached) to do so. It is my recommendation that we enter into a one year extension of the agreement with the vendors noted above. The contract period will be May 21, 2010 – May 20, 2011.

Should you have any questions concerning this matter, or if I can be of further assistance, please feel free to contact John Petrashek or me at your earliest convenience.

Recommendation: Recommend acceptance of Request for Proposal per the attached tabulation. Per the terms of the RFP, acceptance of these three (3) highest-ranked firms will enable the New Construction and Code Compliance Department to utilize the services of all three firms on a rotational basis, with the initial rotation schedule established by the final rank order. When projects within the scope of this RFP are generated, the New Construction and Code Compliance Department will conduct pricing negotiations on the project with the next firm in rotation, in good faith and in accordance with Section 287.055, F.S. Should the District fail to reach accord as to pricing with supplier in rotation, the District reserves the right to negotiate, in turn, with the next ranked supplier until agreement is reached.
