RE: EBSCO Publishing
Purchase Order #00001507

The above-referenced purchase order with EBSCO Publishing totaling \$26,736 is being forwarded for your consideration and subsequent approval. This request by the Instructional Media & Technology Department is for the purchase of electronic reference products for twelve (12) high schools, fifteen (15) middle schools, forty-five (45) elementary schools and four (4) education centers.

It is my recommendation that the Board approve the attached purchase orders to EBSCO Subscription Services. Due to the dollar amount exceeding \$25,000, the orders are being presented for your approval. Under the Department of Education Rule 6A-1.012(11)(b) the requesting of bids from three (3) or more sources is waived when purchasing materials from the copyright holder.
