The School District has numerous cooperative agreements with various facilities in order to allow students to complete clinical assignments in the Health Occupation Program. The attached agreement has been developed to allow students enrolled in the Health Occupation Program to use the above facility for internship.

At this time, we respectfully request your approval to enter into the first year of the three-year agreements with the above-referenced facility for the Health Occupation Program. The first year of the agreement will cover the period of September 15, 2009 through September 14, 2010.
