## MEMORANDUM

**TO:** Honorable Board Members

**FROM:** Kendra Goodman, CPPB, Purchasing Agent

**RE:** Supplemental Educational Services Contracts  
Purchase Orders # 00004310, 00004421, and 00004422

Under the No Child Left Behind Act, Supplemental Educational Services (SES) must be offered to students at Title I schools. To comply with this requirement, The District's Department of Curriculum and Instructional Services sent packets to the providers from the Florida Department of Education's state-approved list. The following vendors responded indicating they were interested in providing services for the District School Board of Pasco County: ATS Project Success, All About Achievement, and Basic Learning Skills, Inc.

The above listed purchase orders totaling \$275,877.00 require Board approval at this time due to the dollar amount. The prices were negotiated and within the pricing structure set forth by the Florida Department of Education (i.e. \$45 and up to \$80 per hour) with the contracts being Board approved August 18, 2009. At this time, we respectfully request the Board to approve the attached purchase orders for payment purposes only based upon the accurate count of students. Supplemental Educational Services will be paid through Title I, Part A set-aside funds.

Under the Department of Education Rule 6A-1.012(11)(b), the District is exempt from the bid process for the purchase of educational services. At this time, it is my recommendation to approve the dollar expenditures to the approved DOE vendors as noted on the attached purchase orders.

Should you have any questions regarding this request, please feel free to contact Brian Schultz, Program Specialist, Title I or me at your earliest convenience.
