### MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent *KDG*

RE: Third Year Renewal of Three-Year Contract  
Bid #08-056-LR, Door Closers – Maintenance Department  
Clark Security Products

On February 5, 2008, official action (attached) was taken to award the above-referenced bid to Clark Security Products. This bid is a three-year contract, renewable annually based upon mutual consent of both parties. The first year of the agreement expired on December 19, 2008. Subsequently, the second year of the contract was awarded on November 18, 2008 and covers the period of December 20, 2008 through December 19, 2009.

Considering services have been satisfactory, Vicky L. Brewer, Industrial Sales, Clark Security Products was contacted to verify her willingness to enter into the third year of the agreement. As such, Vicky L. Brewer has agreed in writing (attached), to enter into the third year of the contract.

Therefore, at this time, it is my recommendation to enter into the third year of the agreement with Clark Security Products. The third year of the contract will cover the period of December 20, 2009 through December 19, 2010. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

**Recommendation:**

Recommend acceptance of bid from Clark Security Products, as noted on attached bid tabulation sheet, as lowest and best, responsive and responsible bid meeting written specifications.

**Term of Contract:**

This bid is for door closers "as needed" by the Maintenance Department for use throughout the District. This is a three-year bid renewable annually based upon mutual agreement of both parties. The first year of this contract shall be effective from February 6, 2008 to December 19, 2008. Subsequent contract years will be December 18 through December 19.

**Notations and Exceptions:**

Recommend rejection of all lower bids because of failure to meet the written specifications for compatibility with existing systems (closer body constructed of cast aluminum, arm material not forged steel, adjustable cylinder size only 1-4).

Offers from the vendors listed herein are the only offers received timely as of the above opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.
