Recommendation:

Recommend acceptance of bid as noted on the attached bid tabulation sheet, as lowest and best, responsive and responsible "all-or-none" bid for Parts A, B and C meeting written specifications.

Term of Contract:

The intent of this bid is to establish pricing for Portable Fire Extinguisher Services and Fire Suppression Hood Systems to be used throughout the District. This is a three-year bid renewable annually based upon mutual agreement of both parties. The first year of this contract is effective from December 21, 2009 through December 20, 2010.

Notations and Exceptions:

The low bidder, Universal Fire Protection, submitted a bid containing a mathematical error under Part A and when asked, verified in writing that they could not honor their all-or-none bid prices for Part A, B, and C combined. Therefore they have withdrawn their bid.

Recommend acceptance of bid from Florida Fire Service, Inc., as noted on the attached bid tabulation sheet, as the next lowest and best, responsive and responsible "all-or-none" bid for Parts A, B and C meeting written specifications.

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.

Savings were determined by the averaging of all bids submitted and deducting the bid price of the recommended vendor.
