AND

THE SCHOOL BOARD OF PASCO COUNTY  
FOR  
EXCEPTIONAL STUDENTS

#### AGREEMENT

THIS AGREEMENT is entered between *Punch Boxing For Fitness*, hereinafter referred to as "Sponsor," and The District School Board of Pasco County, Florida, hereinafter referred to as the "Board."

#### WITNESSETH

WHEREAS, the Board and the Sponsor mutually desire to provide exceptional students with appropriate career and technical training; and

WHEREAS, the parties desire the Board's exceptional students to receive the job related and support services necessary for obtaining and maintaining future employment.

NOW THEREFORE, in consideration of the premises and mutual covenants and agreements herein contained, and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

- A. The Board shall provide the Sponsor the following:
1. Provide a Transition Assistant on-site who will monitor student performance and provide assistance based on employee feedback. The Transition Assistant reports to the Job Placement/Transition Specialist.
  2. Select students for the job training sites.
  3. Provide periodic on-site supervision by the Job Placement/Transition Specialist.

4. Provide methods of student evaluation and to assume responsibility for the final grades of the students. Students participating in this program must comply with the District's Code of Student Conduct.

B. The Sponsor shall provide the Board the following:

1. Establish training sites within the business in conjunction with the Job Preparation Program.
2. Develop a list of tasks for each training site with the Transition Assistant. The students should only do additional tasks when approved by the Transition Assistant.
3. Provide employees who are willing to be paired with exceptional students to provide on-site training and supervision.
4. Permit observation of the program by interested groups or individuals, with prior consent of the employer.
5. Provide an opportunity for the Transition Assistant to observe employees at each training site prior to student placement.

C. The Board and Sponsor comply with Title VI of the Civil Rights Act for 1964, Title IX of the Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, and related regulations, assures that it does not and will not, discriminate against any student who is a potential employee in the on-the-job training program because of race, color, creed, sex, national origin or handicap.

D. The Board and Sponsor comply with The Fair Labor Standards Act (FLSA). The following criteria apply to this agreement and ensure that students enrolled in the program are not employees within the meaning of the FLSA:

1. The training is for the benefit of the student, even though it includes actual operation of the facilities of the sponsor.
2. The sponsor derives no immediate advantage from the activities of the student.
3. The student does not displace regular employees of the Sponsor.
4. The student is not automatically entitled to employment with the Sponsor at the conclusion of his/her training.
5. The employer, student, and parent(s) understand that the student is not entitled to wages for the time spent in training.

- E. The instructional schedule for the students while on-site of Sponsor shall be planned jointly by the Transition Assistant and the designated representative(s) of Sponsor. Any changes in the instructional schedule must be approved by both parties prior to implementation of a new schedule.
- F. The parties acknowledge that a Board Employee will not be directly supervising each student at all times. The Sponsor agrees to provide said direct supervision and instruction according to the training agreement developed for each student.
- G. Board agrees to provide transportation for the students enrolled in the program to and from the work site.
- H. It is understood by the parties that all personnel provided by the Board pursuant to this agreement are Board Employees subject to rules of the School Board and applicable labor contracts. The student will receive the same consideration as employees with regard to safety, health, and general work conditions. However, it is understood that in the event a student is injured during the course of his/her assigned activities, financial responsibility for any necessary medical treatment will be that of the student or, in the case of a minor, the student's parent or guardian. No student in this education program will be discriminated against for any reasons of race, sex, religion, national origin, marital status or age.

Either party may terminate the Agreement at any time with or without cause upon thirty (30) days notice to the other party, provided that the students currently enrolled in the program are permitted to complete the program. If the Sponsor is found

to be in default of this contract and it is not in the best interest of the School Board to continue this Agreement as a result of an unsafe environment or the possibility of endangerment to the student, the School Board may terminate this Agreement immediately with no further obligation.

Contracts canceled by the District as a result of the Sponsor's non-performance may result in exclusion from the Sponsor participating in any other similar contracts offered by any public school in Pasco County, Florida.
