## MEMORANDUM

**TO:** Honorable School Board Members

**FROM:** Kendra Goodman, CPPO, CPPB, Purchasing Agent 

**RE:** Printing Services  
PRIDE Enterprises

As you are aware, the Graphics Services Department will be closed on June 30, 2011 as a part of the 2011-2012 budget reductions. At this time, the Purchasing Department is pursuing options to outsource these services by developing a request for proposal. In the meantime, we are requesting permission for PRIDE (Prison Rehabilitation Industries and Diversified Enterprises) to be utilized for printing services. In accordance with Florida Statute 946.515 (use of goods and services produced in correctional work programs) PRIDE can be utilized without competitive bids. However, the Purchasing Department will be developing a request for proposal that will allow our end-users an option to utilize local vendors for printing jobs that may not be conducive for PRIDE to complete (i.e., small and short lead-time projects). Once the request for proposal has been completed, it will be forwarded to a board meeting at a later date.

The anticipated expenditures for printing services through October 31, 2011 are estimated at \$200,000. As always, the Purchasing Department will monitor the expenditures with PRIDE so this amount will not be exceeded. Funding for printing services are provided by various sources including general and federal funds as well as federal and state grants.
