MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent *Kdg/SMB*

RE: Vernier Software
Purchase Order #10010105

The above-referenced purchase order with Vernier Software totaling \$105,378.75 is being forwarded for your consideration and subsequent approval. This request is for the purchase of Environmental Science LabQuest software and equipment from Vernier Software for the Instructional Media Technology Department.

Under the Department of Education Rule 6A-1.012(11)(b), the requesting of bids from three (3) or more sources is waived for the purchase of educational services and any type of copyrighted materials including, without limitation, educational tests, printed instructional materials, computer software, etc., where such items are purchased directly from the manufacturer, producer, publisher, the owner of the copyright, an exclusive agent within the state, a governmental agency or a recognized educational institution. Vernier Software holds the copyrights of the Vernier Labquest Interface (see attached); however, the various sensors and probes included in the attached quote are excluded from sole source as they can be purchased from other manufacturers.

It is my recommendation that the Board approve the attached purchase order to Vernier Software totaling \$105,378.75. Due to dollar amount being processed at one time, the order is being presented for your approval.

Should you have any questions or wish to discuss this further, please contact me at your convenience.
