MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent 

RE: Memo of Understanding
National Network of Digital Schools

The attached Memo of Understanding with National Network of Digital Schools is being forwarded to the Board for approval.

Pasco eSchool requests permission to contract with National Network of Digital Schools for online learning opportunities for eligible K-12 students. The online instruction will support the District's class-size requirement.

The estimated cost of the virtual instruction program for the 2011-2012 school year is \$30,000. The program will be funded through FTE earned by students enrolled in grades 6-12 by credit completion per half credit.

Under the Department of Education Rule 6A-1.012(7), the District is exempt from the bid process for the purchase of professional or educational services. At this time, it is my recommendation to approve the contract between the Pasco eSchool and National Network of Digital Schools.

Should you have any questions regarding this matter, please feel free to contact me or JoAnne Glenn at 61901, at your earliest convenience.
