Memo/Board/Supplemental Educational Services Agreements

August 17, 2010

Page 2 of 2

The School District has numerous supplemental educational services agreements with various facilities in order to comply with the No Child Left Behind Act by providing educational services to the students at Title I Schools. Please reference the attached memo from Ms. Elena Garcia, Supervisor of Title I, Curriculum and Instruction Services, for further information regarding these agreements. The services covered under these agreements are considered educational services; and, therefore, are exempt from the competitive pricing requirements as outlined in DOE's Section 6A-1.012(11)(b).

Due to the high number of contracts being sent for Board approval the first three (3) pages of the SES Provider contracts following the first contract have been omitted in an effort to save resources and are the same for all contracts.

At this time, we respectfully request your approval to enter into the one-year agreements with the above-referenced facilities. The educational services are outlined in the agreements and are attached for your perusal. These agreements will commence upon Board approval and expire on May 1, 2011.

Should you have any questions regarding this matter, please contact Elena Garcia or me at your earliest convenience.
