MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent *Kdg/SMN*

RE: District-wide Copier Contract
Multifunctional Devices, Copying Equipment, Service & Supplies
Ikon Office Solutions

On September 15, 2009, official action was taken (attached) to piggyback Miami-Dade County Schools Bid #128-FF11 for district-wide copies services with Ikon Office Solutions. The Miami-Dade Schools bid #128-FF11 will expire on September 30, 2010. The copiers and equipment brought in under this piggyback are in various stages of multi-year agreements. Nancy Alfonso, School Board attorney, concurs that the District's original commitment must be honored until all the machines complete their various expiration dates per the original request for proposal document. As such, the copiers on the attached list reflect the remaining machines and dollars that need to be approved for the 2010-2011 fiscal year. Ikon Office Solutions has agreed, in writing, to extend all pricing for any units currently still under active lease agreements per the terms and conditions of the Miami-Dade County Schools Bid #128-FF11.

The information listed below is a twelve-month cost estimate for all District copier leases with their estimated total twelve-month copy volume and related service/supply costs.

Estimated October 1, 2010 through September 30, 2011 lease amounts: \$720,000.00
Estimated October 1, 2010 through September 30, 2011 copy volume: 112,222,000 copies
Estimated October 1, 2010 through September 30, 2011 copy cost: \$505,000.00
(District-wide average cost-per-copy rate: \$0.0045)
The estimated total one-year expenditure for the District-wide cost-per-copy contract is \$1,225,000.00

Should you have any questions or wish to discuss this further, please feel free to contact me at your convenience.

Re: Contract recommendation for the Cost-Per-Copy program with IKON Office Solutions, Inc.

It is the recommendation of the Information Services Department to renew our District-wide copier contract with IKON Office Solutions Inc. and that we continue to honor our 60-month lease obligations for the October 1, 2010 through September 30, 2011 contract year. In our opinion, the utilization of this contract is in the District's best interest and will afford us an opportunity of holding our current low cost-per-copy rates for an additional year. The information listed below is a twelve-month contract cost estimate for all District copier leases with their estimated total twelve-month copy volume and related service/supply costs.

Estimated October 1, 2010 through September 30, 2011 lease amounts: \$720,000.00

Estimated October 1, 2010 through September 30, 2011 copy volume: 112,222,000 copies

Estimated October 1, 2010 through September 30, 2011 copy cost: \$505,000.00
(District-wide average cost-per-copy rate: \$0.0045)

The estimated total one-year expenditure for the District-wide cost-per-copy contract is:
\$1,225,000.00

Thank you for your consideration.
