## MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent 

RE: Power Buying Group Agreement

The attached agreement allows The District to participate as a member of the Food and Nutrition Services Power Buying Group, which consists of various schools districts throughout the State of Florida. One of the benefits of this cooperative allows the District to utilize the cooperative's bids and provides a substantial cost savings through combining the food requirements of numerous districts in one bid or Request for Proposal (RFP).

On April 20, 2010, you may recall that The Board approved the utilization of Martin County School Board's RFP #5001-0-2006/JK for Mainline Foods through the Power Buying Group. The District's anticipated expenditures for this particular bid are approximately \$7.5 million dollars.

At the time the above-referenced bid was forwarded for your approval, the attached contract was not required by the cooperative; and therefore, was not part of the original board approval process. The cooperative is now requesting that contracts be executed as part of the cooperative's bid/RFP utilization process. Therefore, we are requesting the attached document be approved at this time.

Should you have any questions regarding this agreement, please contact Julie Hedine, Supervisor of Food and Nutrition Services or me.

**2010- 2011 LETTER OF AGREEMENT TO PURCHASE FROM THE MAIN-LINE FOOD AND SUPPLY CONTRACT  
ISSUED BY THE MARTIN COUNTY SCHOOL DISTRICT AND TO PARTICIPATE  
AS A MEMBER IN THE POWER BUYING GROUP (PBG)**

**RECEIVED**  
8/5/10 *aw*

District School Board of Pasco County  
Name of Member/District Applicant

Applicant agrees to purchase Main-line Food and Supplies as needed from the Bid Contract administered by the Martin County School District (Administering District) and the PBG purchasing cooperative. Prior to award, all food and supplies will be tested and pre-approved by a majority vote of the PBG members.

Applicant will issue a blanket purchase orders to the approved distributor to cover purchases of the food and supply items on the contract from July 1 to June 30 of each fiscal year. Additional purchase orders must be issued for the procurement of additional items for special functions and catered events in keeping with district purchasing procedures.

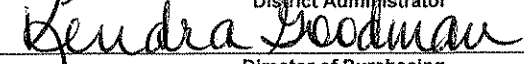

Applicant agrees to actively participate in the development of each multi-year Main-line bid and to identify, evaluate and test new food and supply items, develop bid specifications and estimate quantities for bi-annual bids.

This agreement will require annual renewal during the life of the contract with the successful bidder. This agreement may be terminated without cause as follows: a) by the District with ninety (90) day written notice given prior to the next 6 month bid cycle or b) by the PBG with sixty (60) days prior written notice. Additionally, either party may give written notice to terminate for cause at any time, **followed by a 30-day period to resolve any breach.**

Each MEMBER DISTRICT in good faith, agrees to:

1. purchase bid items from the successful bidder(s) in strict adherence with the terms, conditions, and unit prices of the Martin County Main-line bid as well as all applicable federal, state and local statutes, regulations, and ordinances and district purchasing policies and procedures;
2. provide the successful bidder with a 2-4 week Menu Cycle and an advance forecast of food and supply items to be delivered to member sites;
3. adhere to the Mission, Bylaws and Code of Ethics of the Power Buying Group;
4. provide timely and accurate information as requested to the PBG Chair, Division Chair or appropriate Committee Chair;
5. review PBG reports and documents in a timely manner to assure that they are accurate, complete and in accordance with member district purchasing policies and procedures;
6. participate in at least two of the four quarterly PBG meetings and at least two of the Division Meetings. Product decisions are made at Division Level meetings and require "in person" approval by majority vote.
7. make every effort to make payment of invoices to awarded distributor within 60 days of delivery for all food and supplies received, except those invoices that are in dispute.
8. actively participate in committee assignments and testing of new products as required for bi-annual pricing and for the development and evaluation of the Main-line Food and Supplies Contract;
9. maintain the security of access to the Members Only section of the PBG Website and to protect the integrity of the current bid and bid pricing.
10. remit by August 31<sup>st</sup> the allocated portion of PBG expenses as included in the approved annual budget. Failure to pay annual fees by the deadline stated will constitute grounds for termination for cause.

The MEMBER DISTRICT acknowledges that active participation and attendance to all meetings is critical to the success of the PBG, and it is imperative that all districts work cooperatively to achieve maximum benefit, both individually and collectively. It is further understood that failure to attend meetings and/or participate in activities are grounds for termination from the PBG.

**Time of Day:** The Guidelines apply to beverages sold on school grounds during the regular and extended school day when events are primarily under the control of the school or third parties on behalf of the school. The extended school day can be defined as the time before or after the official school day that includes activities such as clubs, yearbook, band and choir practice, student government, drama, and childcare / latchkey programs.

The Guidelines do not apply to school-related events where parents and other adults are a significant part of an audience and are selling beverages as boosters during intermission, as well as immediately before or after such school-related events. Examples of these events include interscholastic sporting events, school plays, and band concerts.
