MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent 

RE: Coleman Technologies Inc.
Request Permission to "Piggy-Back" Hillsborough County Bid P-0201-08(JB)
for Cisco Network Equipment, Software and Maintenance

Currently, the Information Services Department purchases Cisco network equipment through a piggy-back of Pinellas County's bid #056-0235-B(KC). This equipment provides local connectivity for services to each school, as well as Internet, e-mail, and TERMS to each workstation within the school. The term of this piggy-back will expire on November 30, 2010.

As Pinellas County's contract expires on February 20, 2011, and they will be rebidding the contract, the District cannot continue to piggy-back this bid. We have identified Hillsborough County's above-referenced bid, which is current, and also offers better terms to the District than the previous piggy-back. The awarded vendor is Coleman Technologies. All bid information is on file in the Purchasing Department.

Under DOE Rule 6A-1.012(6), the Board may make purchases at the unit prices in contracts awarded by other governmental agencies. Coleman Technologies has agreed in writing (attached) to extend the terms and conditions of the Hillsborough County bid to the District. Please see the attached memo from Mr. Bruce Baldwin, Director of Information Services, and Mr. Chris Jackson, Supervisor of Information Services.

We are requesting permission to piggy-back the Hillsborough County bid, and to place purchase orders on an as-needed basis not to exceed \$800,000, for the period December 1, 2010 – November 30, 2011, using budgeted general funds. The Purchasing Department will monitor all Coleman Technologies requisitions to verify that the dollar limits noted above are not exceeded. Should you have any questions, please contact Chris Jackson or me at your earliest convenience.

Subject: LAN Connectivity DSBPC Network: Cisco Equipment

Cisco Systems is the current District School Board of Pasco County standard for network equipment. I am recommending that the DSBPC piggyback the Hillsborough County bid P-0201-08(JB). This network equipment will provide local connectivity for services internal to each school as well as internet, email, and TERMS to each workstation within each school. During the term of the piggyback, December 1, 2010 - November 30, 2011, we anticipate purchasing approximately \$800,000.00 of Cisco equipment on an as-needed basis, with funding being provided through 110.9421.6420.

If you have any questions, please call me at x42926.
