MEMORANDUM

TO: Honorable School Board Members

RE: Second Year Renewal of Three-Year Contract
Bid #10-068-DR: USDA Commodity Egg Processing
Cargill Kitchen Solutions

On February 19, 2010, official action (attached) was taken to award the above-referenced bid to Cargill Kitchen Solutions. This bid is a three-year contract, renewable annually based upon mutual consent of both parties. The first year of the agreement will expire on June 30, 2011.

Considering services have been satisfactory, Bruce Schmidt, Vice President, Cargill Kitchen Solutions was contacted to verify his willingness to enter into the second year of the agreement. As such, Bruce Schmidt has agreed in writing (attached), to enter into the second year of the contract.

USDA timeline for school districts to place orders for commodity foods and identify processing manufacturers is January 15, 2011 for the 2011/2012 school year. Due to the USDA timeline, it is necessary to renew commodity processing bids six (6) months prior to the term of the contract. Purchase orders and product orders through distributors will not be placed with awarded vendors prior to July 1, 2011. This bid in no way affects contracts already in place for the 2010-2011 school year. Because of the USDA timeline, Food and Nutrition Services is requesting permission from The Board to renew Bid #10-068-DR: USDA Commodity Egg Processing bid six months prior to term of contract.

Therefore, at this time, it is my recommendation to enter into the second year of the agreement with Cargill Kitchen Solutions. The second year of the contract will cover the period of July 1, 2011 through June 30, 2012. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.
