**Term of Contract:**

This bid is for the one-time purchase of seven (7) 10-ton rooftop package units and three (3) 15-ton rooftop package units (not installed) to be used throughout the District.

**Notations and Exceptions:**

Recommend rejection of low bid from Carroll Air Systems, Inc. bidding McQuay as these models do not meet the corrosion protection on coils and cabinets capable of withstanding at least 6000 hours when tested in a salt spray and fog atmosphere as outlined in the bid documents.

Offers from the vendors listed herein are the only offers received timely as of the specified opening date and time. All other offers submitted in response to this solicitation, if any, are hereby rejected as late.

Savings were determined by averaging all bids submitted and subtracting the recommended vendor's price.
