**Whereas**, the Contracting School has been approved by the District as a facility conducting programs of education and training for adult students with disabilities.

**Whereas**, the parties wish to provide a special program of education and training for an exceptional student who has met the following criteria:

1. J. W. is a resident of Pasco County, Florida, and is enrolled in the Pasco County school system.
2. J. W. has been appropriately classified as a student with a disability by the District in compliance with state statutes and all pertinent state and local school district rules and criteria.
3. A Transition Individualized Educational Plan (T/IEP) has been established for this student based on assessment results, which indicate specific educational needs, and such plan and needs are agreed upon by the parents of J. W. and the District.
4. After reviewing the T/IEP and the educational opportunities available within the Pasco County school system, the District concludes that J. W. would benefit from placement in an adult training center.
5. **Whereas**, the District believes that the Contracting School can meet the educational and training needs of the student as outlined in the T/IEP, and as evidenced by the Contracting School, meeting the criteria for approval under Florida State Department of Education Rule 6A-6.0361(1), Contractual Arrangements with Nonpublic Schools.

4. This process will be conducted in a manner consistent with professional standards and practices.

8. Participate in meetings to review and revise the student's T/IEP. The District representatives and the parent or designee must be involved in any decision about the student's T/IEP and agree to any proposed changes in the plan before those changes are implemented. 14. Maintain the confidentiality of student records pursuant to federal and state law.

This is a fixed-fee for term, no-cost based contract.

Under circumstances of co-funding under separate contracts with co-funding agencies discharge of the student because of default by a co-funding agency shall not be a default of this agreement. However, the District as described in this agreement shall be reimbursed for all unearned tuition received by Contracting School. Prior to discharge because of a co-funding agency's default, Contracting School will give 15 days prior written notice to the District.

It is the responsibility of the contracting school to fully implement the T/IEP regardless of student's eligibility for other funding sources or default of payment by other funding sources.
