## MEMORANDUM

**TO:** Honorable School Board Members

**FROM:** Kendra Goodman, CPPO, CPPB, Purchasing Agent 

**RE:** Negotiated Contract #09-107-LR  
Product replacement, Price Increase and Decrease  
Raptor Technologies, Inc.

On February 15, 2011, official action (attached) was taken to enter into the third year of a three- year agreement with Raptor Technologies, Inc. for the above-referenced negotiated contract. Raptor Technologies, Inc. uses the V-soft system which aids educational facilities with campus security by screening for potential registered sex offenders.

Raptor Technologies, Inc. has requested in writing (attached) the replacement of the RaptorWare Optical Scanner which has been discontinued and replaced with the RaptorWare Duplex Scanner. The current price for the optical scanner is \$395 and the new duplex scanner being offered is priced at \$495. This price is \$34 below the retail cost. Additionally, the cost for the RaptorWare LabelWriter Printer is decreasing from \$200 to \$139 and the cost for the RaptorWare Visitor Badges are decreasing from \$165 per case to \$100 per case. As this was originally a negotiated contract as allowed under Florida Administrative Code 6A1-1.012, these prices have also been negotiated. All other prices will remain the same.

It is my recommendation at this time to accept the replacement of the scanner and new pricing structure as noted above for the remainder of the third year of the agreement. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

Amy Flack, Interim Buyer  
Purchasing Dept, Building #4  
District School Board of Pasco County  
7227 Land O' Lakes Blvd.  
Land O' Lakes, FL 34638

Dear Ms. Flack,

On occasional changes in technology will cause us to change the equipment we offer for use with our V-soft Visitor Management System. Our goal is to provide the best technology at the best possible price for our customers.

Please note the following item is no longer being offered by Raptor for sale:

<b>Old Scanner</b>	<b>Replacement Item</b>
RaptorWare Optical Scanner \$395.00	RaptorWare Duplex Scanner \$495.00

Though our cost escalated by more than \$134.00, we only increased the cost to our customers by \$100.00.

Also, from time to time, we may get a better price on items we offer and pass that savings along to our customers. In the past couple of years, we have decreased the prices on the following:

RaptorWare Visitor Badges – Previous Price \$165.00 per case; current price \$100.00 per case  
RaptorWare 450 Turbo Printer – Previous Price \$200.00 each; current price \$139.00 each

When we have a price decrease we will bill at the new lower price even if the purchase order reflects the older price. We would like to request approval to change the item and price on the scanners. We will need corrected purchase order for any pending orders reflecting the older technology.

Please let me know if you have any questions.

Sincerely,

RAPTOR TECHNOLOGIES, INC.

Carol L. Measom  
Treasurer

## MEMORANDUM

**TO:** Honorable School Board Members

**FROM:** Kendra Goodman, CPPO, CPPB, Purchasing Agent *KDG*

**RE:** Third Year Renewal of a Three-Year Contract  
Negotiated Contract #09-107-LR  
Raptor Technologies, Inc.

On March 16, 2009, official action (attached) was taken to award the above-referenced negotiated contract to Raptor Technologies, Inc. This contract is a three-year contract, renewable annually based upon mutual consent of both parties. The second year of the contract will expire on March 16, 2011.

Considering services have been satisfactory, E. Allan Measom, President, Raptor Technologies, Inc., was contacted to verify his willingness to enter into the third year of the contract. As such, he has agreed in writing (attached), to enter into the third year of the contract.

Therefore, at this time, it is my recommendation to enter into the third year of the contract with Raptor Technologies, Inc. The third year of the contract will cover the period of March 17, 2011 through March 16, 2012.

Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

## MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent *KdG*

RE: Raptor Technologies, Inc.  
Direct Negotiated Contract #09-107-LR  
Controlled Campus Security Systems

On December 1, 2008, official action (attached) was given to allow permission to negotiate a direct contract with Raptor Technologies, Inc. for the acquisition of controlled campus security systems "as needed" for use throughout the District.

As you know, the Department of Education Rule 6A-1.012(10), allows a district school board, when acquiring high technology resources to make any acquisition through direct negotiation and contract with a vendor as best fits the needs of the school district. As indicated in our previous request, the attached contract with pricing is now being submitted for your approval. This is a three-year contract, renewable annually based upon mutual consent of both parties. The first year of the contract shall be effective from March 17, 2009 to March 16, 2010. The anticipated annual expenditures will be approximately \$32,000 to install new systems, annual access fee and for supplies. The agreement has been reviewed and approved by The School District's Attorney, Nancy McClain Alfonso.

Should you have any questions regarding this request, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

## MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPB, Purchasing Agent *KG*

RE: Request Permission to Negotiate  
Raptor Technologies, Inc.

On February 7, 2006, official action (attached) was granted to allow permission to directly negotiate a contract for the purchase of controlled campus security systems "as needed" for use throughout the District. Considering the third year of this contract will expire on March 7, 2009, the Purchasing Department has been reviewing the existing contract, conditions, and past rationale to verify the applicability of future negotiations through the bid exemptions as presently allowed through the Department of Education rule 6A-1.012 (10) - Information technology.

Currently under the Department of Education rule 6A-1.012(10) allows the Board to enter into direct negotiations for high technology hardware, software and components when it is in their best interest to do so. The term information technology as defined in State Statutes 282.0041(15) means "equipment, hardware, software, firmware, programs, systems, networks, infrastructure, media, and related material used to automatically, electronically, and wirelessly collect, receive, access, transmit, display, store, record, retrieve, analyze, evaluate, process, classify, manipulate, manage, assimilate, control, communicate, exchange, convert, converge, interface, switch, or disseminate information of any kind or form."

Given the fact that the Raptor System used throughout the district is software and it automatically and electronically receives and transmit information it appears that the Raptor System fulfills the definition and intent of DOE's terminology for information technology and, therefore, would be exempt from the competitive bidding process.

Based upon past and present rationale, it is my recommendation that this acquisition be negotiated as allowed under the above-referenced rule as a multi-year contract, renewable annually by mutual agreement of both parties for a period not to exceed three years. Upon reaching a successful conclusion, I will forward copies of the contract and prices for your ratification.

Should you have any questions regarding this request, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

February 1, 2006

## MEMORANDUM

TO: Honorable School Board Members  
FROM: Kendra Goodman, CPPB, Purchasing Agent *KG*  
RE: Raptor Technologies, Inc.

Recently the Purchasing Department was requested by the Superintendent's office to research the availability of control campus security systems to be used in all of the elementary schools throughout the District. Research was conducted by the Purchasing Department and Lt. Moyer on several security systems. Based on our research, it was determined that Raptor Technologies, Inc. has the system that best meets our needs.

Raptor Technologies, Inc. was awarded a contract from the Sarasota County School Board on their Request for Proposal #6023. After reviewing Sarasota County School Board's RFP #6023 and speaking with Raptor Technologies, Inc., it was determined that a direct negotiated contract would be in the best interest of the District for cost savings. Raptor Technologies, Inc. system is called V-soft. The V-soft system aids educational facilities to help control campus security and to better protect our students, visitors and staff, by screening for potential registered sex offenders. The V-soft system consists of a web-based software application, an optical scanner and a labelwriter (for printing visitor badges). The V-soft system scans a valid state issued ID (i.e. driver license) and searches through the internet multiple sex offender databases and will provide an alert on any person who may jeopardize the safety of the school campus.

Under the Department of Education Rule 6A-1.012(5), the Board may make purchases at the unit prices in contracts awarded by other governmental agencies. Also, the Department of Education rule 6A-1.012(10) allows the Board to enter into direct negotiations for high technology hardware, software and components when it is in their best interest to do so. The term information technology as defined in State Statutes 282.0041(7) means "equipment, hardware, software, firmware, programs, systems, networks, infrastructure, media, and related material used to automatically, electronically, and wirelessly collect, receive, access, transmit, display, store, record, retrieve, analyze, evaluate, process, classify, manipulate, manage, assimilate, control, communicate, exchange, convert, converge, interface, switch, or disseminate information of any kind or form."

Given the fact that the V-soft system will give data automatically and electronically transmitted, displayed, stored, analyzed, and processed via interfacing with the internet it appears that the V-soft system fulfills the definition and intent of DOE's terminology for information technology and, therefore, would be exempt from the competitive bidding process. Therefore, Purchasing is requesting permission for the District to enter into a directly negotiated contract with Raptor Technologies, Inc. for the purchase of thirty-two units. Upon reaching a successful contract, I will forward a copy of the contract and prices for your approval.

Should you have any questions regarding this request, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

**DIRECT NEGOTIATED CONTRACT #09-107-LR**

**RAPTOR TECHNOLOGIES, INC**

**FOR**

**DISTRICT SCHOOL BOARD OF PASCO COUNTY**

**Intent of Agreement**

This agreement is between Pasco County School Board and Raptor Technologies, Inc. (Raptor). Pasco County School Board and Raptor agree that the following provisions shall govern the establishment and implementation of this contract for the purchase (as needed) of a complete Raptor System or replacement items and supplies. The complete system consists of Raptor's web-based software application called V-soft, RaptorWare Optical Scanners, RaptorWare Labelwriter Printers, Telephone Support (available during regular business hours), e-mail support (after regular business hours) and Annual Access Fees. Raptor acknowledges and confirms it is the producer and owner of the copyrights for the V-soft software application. The V-soft software aids educational facilities in helping to control campus security and to better protect district students, visitors and staff, by screening for potential registered sex offenders. Pasco County School Board or an authorized agent of Pasco County School Board may purchase these items or services as outlined herein by referencing this agreement.

**Term of Agreement**

This contract shall commence on March 17, 2009 and shall remain in effect for one year. The contract may be renewed for two subsequent one-year terms, based upon mutual written agreement of both parties under the same terms and conditions.

**Long Term Support Pricing**

In the event that either party fails to renew this contract annually, Raptor agrees to hold the annual access fee as outlined herein for a period of 5 years beyond the cancellation date for previously purchased equipment under this contract.

**Termination of Agreement**

Either party reserves the right to cancel this contract at any time during this contract period by providing a written notice at least thirty (30) calendar days prior to cancellation date without "cause " and ten (10) calendar days with "cause."

**Force Majeure**

Neither party shall be liable for loss or damage of any kind resulting from delay or inability to deliver on account of fire, labor problems, accidents of civil or military authorities, or from any other causes beyond the party's reasonable control.

**Venue**

Venue for any and all legal action regarding or arising out of the transaction covered herein shall be solely in the appropriate court in and for Pasco County, State of Florida. The laws of the State of Florida shall govern this transaction.

**Indemnification for Goods and Services**

As provided for under common law, and to the extent specifically authorized by Section 768.28, Florida Statutes, each of the parties to this Agreement hereby agrees to indemnify and hold the other party hereto harmless from and against all damages of any nature whatsoever which are caused or materially contributed to by the negligent acts of any officer, employee, and agent or other representative of the indemnifying party and which are not caused or materially contributed to by any officer, employee, agent or other representative of the indemnified party. It is further agreed that liability and exposure for indemnification will be governed by the provisions of Section 768.28 (5), Florida Statutes.

Raptor Technology, Inc. Initial

Pasco County School Board Initial

**Delivery**

All prices listed on the price schedule as outlined herein are F.O.B. Destination, no delivery and/or handling charges will be added except for the initial purchase of a complete system (scanner, printer, labels, access fee, and telephone support).

**New Locations**

Locations may be added to this contract at any time within the contract period. Written verification of addition is to follow with a purchase order.

**Payment Terms**

The School Board of Pasco County normally issues payment for merchandise within thirty (30) days from receipt of invoices, provided the goods and/or services have been received in a satisfactory and proper manner. All discounts must be included and should be based on thirty (30) day payment. Except by prior agreement, the Board will not consider special discounts on shorter time intervals, nor will they consider invoices that impose penalties or service charges for a period beyond thirty (30) days.

**Fiscal Nonfunding**

In the event sufficient budgeted funds are not available, Purchasing shall notify Raptor of such occurrence and the contract shall terminate without penalty or expense to the School District.

**Warranty**

In the event of the failure of equipment (i.e. RaptorWare Scanner or RaptorWare Printer), Raptor will provide a replacement of the faulty equipment with UPS ground shipping directly to the campus within 48 hours from notice of failure. Approval to return the equipment must be received via telephone by calling the toll free technical support line provided. The technical support representative will ask the caller to perform certain tests to determine whether the unit is faulty before a replacement will be sent.

Raptor Technologies will warrant all RaptorWare equipment (normal wear and tear) throughout the life of this contract.

**Only equipment and supplies purchased through Raptor Technologies, Inc. will be supported with the V-soft system. It is understood that the use of any unauthorized equipment or supplies with V-soft will void all warranties and support of that particular system.**

**Signs and Letters**

For new complete systems, two (2) signs will be provided to let visitors and parents know they will need to present an ID. Additional copies can be printed from the Help Menu. See Attachment "A"

Example letters to the parents explaining the new procedures in English and Spanish will be provided to the schools for distribution. Additional letters are available for download in the Help Menu. See Attachment "B"

Example of an explanation of data use and security will be provided in English and Spanish for distribution. Additional copies are available for download in the Help Menu. See Attachment "C"

**RaptorWare Badges**

For bulk pricing visitor badges will be sold in case quantities as indicated on price schedule only, with no split orders for deliveries.

Quality of RaptorWare badges is guaranteed for one (1) year from the date of purchase.

Dear Parents:

We would like to introduce you to a new system our school has acquired to help protect your children—it's called V-soft. V-soft helps track visitors, students, faculty, contractors and volunteers at our school, thus providing a safer more monitored environment for the students.

When visitors, volunteers or contractors check-in, or parents come to pick up students, they will be asked to present a valid state issued ID for entering into the system. The system has the ability to provide alerts on people who may jeopardize the safety of the campus.

We feel certain this will help us keep our campus a little safer, and ask for your cooperation in presenting your valid state issued ID when checking in at the school. Thank you in advance for your help in this matter.

Sincerely,

Queridos Padres:

Tenemos el gusto de presentarles un nuevo sistema que adquirido nuestra escuela con el fin de proteger a sus hijos. Se llama V-Soft y nos ayuda a hacer un seguimiento a las personas que visitan el edificio escolar, los estudiantes, empleados, contratistas y voluntarios que se hacen presentes en nuestra escuela, ofreciendo así un ambiente más vigilado que brinda mayor seguridad a nuestros estudiantes.

Cuando los visitantes, voluntarios o contratistas se registran en la oficina, o cuando los padres llegan a recoger a sus hijos de la escuela, se les pedirá que presenten su documento de identidad válido del Estado para poder identificarlo en el sistema. El sistema tiene la capacidad de alertar sobre personas que puedan poner en riesgo la seguridad de nuestra escuela.

Estamos seguros de que este sistema ayudara a mantener nuestra escuela un poco más segura. De tal modo que solicitamos su colaboración presentando un documento válido que haya sido emitido por el Estado para poder registrarse en la oficina. Agradecemos su cooperación.

Atentamente,

**Purpose of the Product**

To protect the students, faculty and visitors at school campuses.

**What Data is Used**

Public sex offender database information is used to screen visitors to the campus, as well as private alert data entered by the school on custody issues and restraining orders. This is NOT a background search--no other criminal information is searched or provided such as traffic tickets, warrants, felonies, etc.

**Data Security**

The data entered or scanned into the system is secured by GeoTrust Quick SSL. Sites secured by QuickSSL are utilizing 128-bit SSL certificates thereby offering the highest level of encryption or security possible.

**Privacy Policy**

The data collected is exclusively for the use of the school, school district and law enforcement only. This information is NOT sold or shared with any outside sources.

**Proposito del producto**

Para proteger a los estudiantes, empleados y visitantes.

**Que datos se usan**

Se usa la informacion que proveen las bases de datos publicos sobre crímenes sexuales para que este tipo de personas no tenga acceso al la escuela, tambien se usa informacion relacionada con problemas de custodia y cauciones . Esto **no** es un chequeo de antecedentes, ni otro tipo de informacion criminal sobre trafico, ordenes de arresto, crimen, etc.

**Seguridad de los datos**

Los datos identificados estan resguardados por Geotrust Quick SSL. Los sitios de Geotrust Quick SSL utilizan certificados de seguridad de 128 bits que ofrecen el mayor grado de privacidad disponible.

**Politica de privacidad**

Los datos recogidos son para el uso de la escuela exclusivamente, el distrito escolar y las agencias de seguridad de la ley. Esta informacion no se vende ni se comparte con ninguna otra fuente externa.
