The School District has numerous supplemental educational services agreements with various facilities in order to comply with the No Child Left Behind Act by providing educational services to the students at Title I Schools. Please reference the attached memo from Ms. Elena Garcia, Supervisor of Title I, Curriculum and Instructional Services, for further information regarding these agreements. The services covered under these agreements are considered educational services; and, therefore, are exempt from the competitive pricing requirements as outlined in DOE's Section 6A-1.012(12)(f).

Due to the high number of contracts being sent for Board approval only the first contract in its entirety is being submitted along with the fourth page and page 16 (signature page) of all other SES contracts in an effort to save resources. All other pages (1-3, 5-15, and page 17) are the same for all contracts and are on file in Purchasing for your review if necessary.

At this time, we respectfully request your approval to enter into the one-year agreements with the above-referenced facilities. The educational services are outlined in the agreements and are attached for your perusal. These agreements will commence upon Board approval and expire on May 1, 2012.

Should you have any questions regarding this matter, please contact Elena Garcia or me at your earliest convenience.

No payment shall be authorized for services provided prior to the full execution of this contract. No payment shall be authorized for services provided to any eligible student for whom the Provider has not submitted to the School Board a fully executed, original SLP, including parent's signature. This Contract may be renewed for up to two (2) additional one year terms by mutual agreement of the parties and upon the terms and conditions agreeable for such renewal.

This Contract may be modified or amended during its initial term or any renewal term upon the approval of both parties, and such modifications shall be in writing and executed by the parties. No change in this Contract or a student's SLP shall result in a per student School Board financial obligation to the Provider in excess of the School Board's annual Title I per student allocation as determined by the Florida Department of Education;

B. Source of Funds and Limitations:

Nothing in this Contract shall be construed to require the School Board to meet its financial obligations with funds or sources of funding that are not specifically provided pursuant to, and available for expenditure under, the No Child Left Behind Act of 2001. Nor does this Contract create a multiple fiscal year obligation, and any financial commitment on the part of the School Board contained in this Contract is subject to annual appropriation by the School Board, federal and or state governments, as applicable, and the Parties agree that the School Board has no obligation to fund the financial obligations under this Contract other than for the then-current year of the Contract term and subject to the requirements of the No Child Left Behind Act of 2001, or until the Contract is terminated, if terminated during the term of the Contract;

C. Transportation:

Transportation arrangements and costs for students receiving services under this Contract are between the Provider and the eligible student's parents, and that the School Board has no obligations to provide transportation in connection with the Provider's responsibility to provide services under this Contract;

D. Dispute Resolution:

Disputes between the District and The Provider concerning the interpretation of, requirements, or performance of this Contract shall be submitted in writing and delivered in person or by certified mail to the Supervisor of Title I Services, at 7227 Land O'Lakes Blvd. Land O'Lakes, FL 34638;

E. Subcontract and Assignment:

The Provider shall not subcontract or assign any of the work contemplated under this Contract;

F. Default:

Failure on the part of the Provider to comply with or fulfill any term, condition, or timeline as specified in this Contract, or the Parent-District-Provider Agreement, will be sufficient to place the Provider in Default of its obligations under this contract. If the School Board determines that the Provider is in Default as described above, the School Board shall notify the Provider in writing immediately and shall have the right to withhold payment of outstanding invoices. The Provider shall have seven (7) days from receipt of Default Notification from the School Board to respond in writing with a plan to cure said Default. If the Default is not cured within fifteen (15) days of School Board Notification to the Provider, the School Board may, at its sole discretion, terminate the Contract. If the Contract is terminated under this Default provision, the School Board shall only be liable for payment for services provided through the termination date, at the sole discretion of the School Board. If it is determined that the cause of the Default will endanger the health, safety, or welfare of students of Pasco County Public Schools receiving SES from the Provider, then this Contract may be terminated immediately;

G. Termination:

During the term of this Contract, the School Board shall retain the right to terminate this Contract with or without cause upon (thirty) 30 days prior written notice, except under circumstances as identified in Section IV F above.

The Provider may also elect to terminate this contract upon thirty (30) days written notice; however, in no event shall the Provider's exercise of its right to terminate this Contract alleviate Provider of its responsibilities to complete any existing SLP's. Upon termination that is not occasioned by Provider's default, the School Board shall pay, without duplication, for all services satisfactorily performed up to the date of termination. In consideration of this payment, the Provider waives all rights to any further payment from School Board; if a contract is cancelled, a new one may not be issued in subsequent years, in accordance with District School Board of Pasco County's financial policy and procedure.

H. Independent Contractor:

This Contract is by and between two independent agents and is not intended to and shall not be construed to create an agent, servant, employee, partnership, joint venture, or association relationship between the parties hereto. The Provider understands and agrees that it shall be responsible for providing its own salaries, payroll taxes, withholding, insurance, workers compensation coverage, and all other benefits of any kind, as required by law for its own employees, and assumes the full responsibility for the acts, and/or

omissions of his/her employees or agents as they relate to the services to be provided under this Contract.

The parties shall in no event be construed to be partners, joint venturers or associates of the other in the conduct of each party's business, nor shall the School Board be liable for the debts of the Provider in the conduct of the Provider's business. The Provider and any person working for or on behalf of the Provider shall at all times be, and be regarded as, independent contractors, and are in no manner employees, servants, or agents of the School Board.

The Provider and any person working for or on behalf of the Provider shall provide all necessary materials to effectively perform their duties. In the event of any dispute arising out of the interpretation or execution of this Contract, such dispute shall be adjudicated in Florida and be subject to the laws of Florida;

J. Non-Exclusivity:

This Contract does not grant to the Provider any exclusive privileges or rights; the School Board may contract with other Providers for the procurement of comparable services. The School Board makes no commitment to request from Provider any minimum or maximum amount of services hereunder, except as otherwise set forth in this Contract;

K. Severability:

If any provision of this Contract is determined to be unenforceable or invalid by a court of competent jurisdiction, the remainder of the Contract shall remain in full force and effect;

L. Governing Law:

The terms and conditions of this Contract shall be governed by the laws of the State of Florida with venue in Pasco County, Florida. Nothing contained in this Contract shall give or allow any claim or right of action whatsoever to any other party or third party. It is the express intent of the parties to this Contract that any person receiving services or benefits hereunder shall be deemed an incidental beneficiary only;

M. Entire Agreement:

This Contract represents the entire agreement between the parties. No other promises or agreements have been made other than those in the Contract. This Contract supersedes any prior agreements, understandings, promises, or representations, whether claimed to be oral or in writing. The parties have incorporated into this Contract their entire understanding of the requirements under this agreement. Each party acknowledges that it has read this Contract carefully, fully understands the meaning of the terms of this Contract, and is signing this Contract knowingly and voluntarily.
