MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent *KDG*

RE: RFP #11-067-AF HVAC Factory Chiller Services
Second Year Renewal of a Three-Year Contract
Cortez Heating & Air Conditioning, Inc.
McQuay International

On September 6, 2011, official action (attached) was taken to award Part I of the above-referenced RFP for HVAC Factory Chiller Services to Cortez Heating & Air Conditioning, Inc. for the manufacturer Trane and to McQuay International for the manufacturer McQuay. On December 6, 2011, official action, Part II, was taken to reject the remaining proposal under evaluation for the manufacturer Carrier for the above-referenced RFP for HVAC Factory Chiller Services. This RFP is a three-year contract, renewable annually based upon mutual consent of the parties. The first year of the agreement will expire on April 19, 2012.

Considering services have been satisfactory, Daniel Snider, Vice President, Cortez Heating & Air Conditioning, Inc. and Michael Best, Service Operations Manager, were contacted to determine their willingness to enter into the second year of the agreement. As such, they have agreed in writing (attached) to enter into the second year of the agreement.

It is my recommendation at this time to enter into the second year of the agreement with the vendors noted above. The second year of the contract will cover the period of April 20, 2012 through April 19, 2013. Should you have any questions regarding this matter, or if I can be of further assistance, please feel free to contact me at your earliest convenience.

Recommendation:

Recommend acceptance of RFP from vendors as noted on the attached RFP tabulation sheet, as the highest average score and best RFP meeting written specifications.

Term of Contract:

The intent of this proposal is to establish a three-year contract between the District School Board of Pasco County and a contractor/supplier for each respective chiller brand on an “as needed” basis for Carrier, McQuay, and Trane chillers for factory services, labor, repairs and OEM replacement parts (Carrier and Trane OEM parts excluded as they are provided under a previously existing contract) during the contract period. This contract will commence upon Board approval and shall remain in effect through April 19, 2012.

Notations and Exceptions:

Each RFP was evaluated according to the criteria outlined in the specifications, with individual scores totaled and averaged to obtain the respondent with the highest average scores. Copies of the evaluation forms are on file in the Purchasing Department.

Recommend rejection of the proposal submitted by Carrier Corporation as the vendor received a referenced totaling an average of below a three (3). The RFP states that any reference totaling an average of below a three (3) would result in the proposer’s disqualification from the RFP process.

Recommend rejection of proposal submitted by Cortez Heating & Air Conditioning, Inc. for McQuay HVAC factory chiller services for failure to provide a letter from the manufacturer stating that their firm is a Chiller Factory Authorized Service Agent as outlined in the RFP documents.

The proposal submitted by Cortez Heating & Air Conditioning, Inc. for Carrier chiller services is still under evaluation, and will be submitted to a future Board meeting as Part II.
