RE: eInstruction Classroom Interactive Response System
Direct Negotiation 12-056-DN/Valencia College Refresh Program RFP 11/12-09
Dell Marketing, L.P.

On November 22, 2011, official action (attached) was taken to award Direct Negotiation 12-056-DN to Dell Marketing, L.P. for the purchase of eInstruction Classroom Response Systems. This direct negotiation is a three-year contract, renewable annually at the mutual agreement of both parties. The first year of this contract is set to expire on November 22, 2012.

Dell Marketing's proposal for 12-056-DN requested that the District incorporate the terms and conditions of Valencia College RFP 11/12-09 into this Direct Negotiation. The Board previously approved the purchase of Dell computers and equipment under the terms and conditions of Valencia College RFP 11/12-09 on April 17, 2012.

Considering services have been satisfactory, Ashleigh Lane, Dell Program and Contract Manager, was contacted to verify her willingness to enter into the second year of the contract. She has indicated in writing (attached) that she is willing to do so.

Therefore, it is my recommendation to enter into the second year of the contract with the vendor noted above. The contract period will be November 23, 2012 through November 22, 2013.

If you should have any questions regarding this matter, please contact me at your earliest convenience.

MEMORANDUM

TO: Honorable School Board Members

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent 

RE: eInstruction Classroom Interactive Response System
Direct Negotiation 12-056-DN

On October 18, 2011, official action was granted to allow permission for the Purchasing Department and Instructional Media Technology Services to directly negotiate for the purchase of Classroom Response Systems for various schools throughout the District on an "as-needed" basis with Dell, eInstruction and Hewlett Packard.

As you know, under the Department of Education Rule 6A-1.012 (14), a district school board, when acquiring "information technology," may make any acquisition through direct negotiation and contract with vendors that best fit the needs of the school district.

As indicated in our previous request, all options on the attached tabulation sheet are now being submitted for your approval. We are requesting approval of the negotiated contract with Dell at the prices indicated on the tab sheet. Hewlett Packard and eInstruction did not submit proposals for the direct negotiation. Although we received only one response, it is deemed competitive based upon price comparisons with other Florida School District contracts.

This direct negotiation is a three-year contract, renewable annually based upon mutual consent of both parties. The District Instructional Media Technology Department anticipates expenditures for the first year to be \$80,000. Items will be purchased on an "as-needed" basis. The funding source to purchase the eInstruction equipment will be from General Revenue, Internal Funds, Title 1, SAC and PTSA funds. This contract will commence on November 23, 2011 and continue through November 22, 2012.

If you should have any questions regarding this matter, please contact me at your earliest convenience.
