MEMORANDUM

FROM: Kendra Goodman, CPPO, CPPB, Purchasing Agent

RE: Bid #12-077-DN: Charter Bus Services

On June 5, 2012, official action was taken to allow the District to directly negotiate with interested parties for Charter Bus Services and award up to four additional vendors. The direct negotiation request was the result of only two responsive, responsible bids were received and the District's high demand for these services require a minimum of six vendors to meet the District's needs.

It is recommended to award the two original submittals from Escot Bus Lines and Martz-First Class Coach Company as the lowest and best bids meeting written specifications.

After Board's approval to negotiate, Purchasing contacted six vendors interested in contracting for Charter Bus Services. As a result of the negotiations, the District and the vendors highlighted on the attached tabulation sheet have reached a successful agreement.

It is recommended to reject Magical Charters for being non-compliant with the original bid solicitation and non-responsive to the direct negotiation solicitation.

This is a three-year contract, renewable annually by mutual written consent of both parties. The first year of the contract is effective July 25, 2012 through June 30, 2013. First year anticipated expenditure is \$450,000 using internal and general funds.

Should you have any questions or wish to discuss further, please contact me.
